Jade Young  
Louisville, KY

Dear Friends of ILMS:

Plans are underway and we are excited about our 29<sup>th</sup> Annual Indiana Lakes Management Conference. This year's conference will be held at the **Four Winds Lakeside Inn and Marina, Bloomington, Indiana, March 2-3, 2017**. As in previous years, we hope to continue to bring together lake enthusiasts from around the state, including representatives from lake associations, government agencies, academia and lake management professionals to share their knowledge and experience about the state of Indiana's lakes.

Through our conference, we would like to offer you a wonderful way to assist the next generation of Indiana's Lake Leaders by providing a donation to our Silent Auction. The proceeds of this special event are used to fund scholarships for students in Natural Resources fields of study. All items and services donated for the auction will be displayed during the banquet Thursday evening.

We truly appreciate your interest in donating either a service or a product to this event. All contributions are potentially a tax deduction to a non-for-profit organization (Tax Exempt ID #35-1855895), based upon the advice of your tax preparer. If preferred, we can even arrange to personally pick up your donation.

If you are interested in donating an item to our Silent Auction, have any questions or require additional information please contact me at 317-266-8000 or at [hbuck@cbbel-in.com](mailto:hbuck@cbbel-in.com). To find out more about the Indiana Lakes Management Society, visit our website at [www.indianalakes.org](http://www.indianalakes.org). On behalf of the Conference Committee, the ILMS Board, and all members of the Indiana Lakes Management Society, we thank you in advance for your donation.

Sincerely,

Heather Buck, Indiana Lakes Management Society
